ABOUT THE BANDS

The Sharon Bands were founded in 1988 by the late Roy Scott, under the auspices of the Sharon Recreation Department. They have grown from a handful of Sharon residents to over 50 musicians from many area communities ranging in age from early teens to eighties. Our members include developing students; adults who have picked up their instruments after many years; musicians with professional training and experience; and music teachers.

They come together because this organization offers one of the best opportunities in the area to make quality music in a collegial atmosphere.

The Sharon Bands are comprised of two ensembles: the **Sharon Concert Band**, which plays the symphonic band repertoire, and the **Roy Scott Big Band**, specializing in swing, jazz, and dance music.

SHARON BANDS IN THE COMMUNITY

As a community arts organization, the Sharon Bands are committed to bringing a quality live music experience to Sharon and the surrounding communities. The Bands produce a variety of innovative indoor concerts during the fall and winter months. During the summer, you will find the bands performing summer concerts at a number of bandstands throughout the region. Membership in the bands is open to everyone, from talented youth to senior citizens and all musicians in between.

The Sharon Bands also support local and charitable organizations by performing at reduced rates or in some cases performing for free. An essential part of our mission is to give back to the community to the extent allowed by our limited finances. Your financial support will enable us to continue and even expand this vital activity.
